WEEKLY NOTES

Good Afternoon,

Thank you to everyone who helped make last week a great Catholic Schools Week for the children and the staff. It was a fun-filled week!

This week has brought us back to reality and with so much sickness. There is an abundance of the flu, 5ths disease and some COVID. Due to the fact we have 115 children out and 12 staff members, there will be no school in the building tomorrow and possibly Wednesday. The children are going home with work packets for tomorrow. The older grades will have assignments in Google Classroom. I will call tomorrow if we are cancelling for Wednesday. If you do not receive a call, text or email tomorrow we will be in on Wednesday as usual. When we do return I ask that you monitor your children and do not send them in if they do not feel well. Thank you

I did a test on Sunday for our emergency call system. Please let me know if you did not receive a call and or text. I sent both. Just a reminder this is how we contact families if we need to cancel school or for any other schoolwide needs.

Reminder...if you have not started your application for the FACE Scholarship to please do that now. If you wait too long there will be limited funds available.

Have a great week!

Peace,
Mrs. Gagnon

Fr. Bob's Weekly Reflection

This week is set at the beginning of Jesus' ministry and the pictures we get of how challenged and pushed he is prepare us to hear the simple parables he tells us. All of us get challenged and pushed in our daily lives. Even when we are on the right road and following a faithful path, there are forces, conflicting demands, tempting alternatives, differing values that batter us. It takes grace and courage to trust our real mission and that our Lord will be with us through it all.

Each morning this week, we can take a moment to ask for what we desire. The entire day will be different just by spending 20 seconds sitting at the edge of the bed saying, "Lord, I want to keep my eyes open today. Whatever comes at me today, I want to stay in touch with you. Thank you." Another morning I may be aware of a big decision I have to execute that day or a conflict I am planning to face, and I might pray, "Okay, Lord, this is the day. This is how I live out my relationship with you. Be with me and give me what I need. Keep reminding me I can't do it without you."

Each day will offer a different brief moment of connection with our Lord, but each will ground the day. Then it is so very easy, while in the shower or walking down a hall, for just brief moments here and there in the background of our day, to stay in touch with our Lord. These guides can help keep us focused on the nourishing Word which interacts with our daily life. Every day can seem like a living Parable of the Sower. There is seed being scattered all around us and we can see and experience our degrees of receptivity. And while we are doing the best we can, all day, every day, in a variety of things, we can be consoled by the Lord's smile reminding us that the Kingdom is like a mustard seed. The real graces come from very small seeds, the smallest of efforts that make a big difference. Most of all, when things get rough, during any day, we can pause and take a breath and ask him to calm the wind and sea in our hearts.

Every night we can thank him for his presence and ground our growing relationship with him.

Keep clipping your receipts!
